## President's Message:

### **Fellow Compatriots, DAR Daughters & Friends...**

As we move into the *New Year*, it is with pride and humility that I once again assume the office of **President of the Palm Beach Chapter National Society of the Sons of the American Revolution**, joining the slate of Officers who served our Chapter during the challenging 2021 year of pandemic and national discord.

**"Service before Self"**, these fine Compatriots including **Secretary, Bob Boggs, Treasurer, Peter Johnston, Registrar, John Workman, Chaplain, Benjamin Tidwell, Sgt. @ Arms, Greg Parkinson, Officers @ Large, Bill Richards, T K Krumenacker** agreed to serve a second year in office to fully support the Chapter as we move from the virtual meetings of 2020/21 to in person meetings.

Joining our team of officers for 2022 as **Vice President**, is Compatriot **David Bird** who was voted in with the 2020 officer slate at the November meeting.

The *Chapter's 2022 Vision* is to perpetuate the ideals of our nation's founders, as true and selfless servants of individual Freedom, and country of laws encapsulated in the Constitution and Bill of Rights for a republic *Of, By and For the People*.

We will continue to perpetuate our core beliefs that our country and SAR were founded upon, especially, honoring those who serve our country in the military, the community and those teaching the next generation that our 246 years of freedom has come at a great price and is easily lost.

I call on all **Chapter Compatriots**, along with our revered **DAR Daughters** and the many other patriotic organizations to join us in achieving this vision.

Our December 5<sup>th</sup> annual holiday meeting moved us into the **Spirit of the Season** with **Holiday Music, Great Food** and **Fellowship!** The **Holiday-Christmas** event featured the choral music of the award winning **Choir, Dimension 20"**

**"Dimension 20"** is the most advanced choral group with the **Forest Hill Community High School Department of Music** and is nationally renowned for its high standards of excellence, dedication, quality and commitment from its members.

Formed in 1973 to provide a more concentrated experience for the serious and strongly committed choral and music students, its name was derived from a unique multi-dimensional approach to performance and style of musicianship, versatility, and variety.

Now in its **49th** year, **"Dimension 20"** appears numerous times a year both locally and regionally for community, professional, and fraternal organizations. This year they were invited to be the opening performance at **Radio City Music Hall** in New York City.

*D-20 Choir & Director Sterling receive Honorarium & Chapter Coin*

NSSAR Officer, Former State & Chapter President Ray Wess delivered an interesting and compelling presentation on *General Washington* and the conditions, struggle and dedication of the Continental Army during the remarkable “Christmas at Valley Forge”.

*Compatriot Raymond Wess*

President Lanman recognized **Junior Compatriot, Spencer Langenstein** for achieving the **Boy Scouts of America “Eagle Scout”** level and presented him with an **SAR Cross of Malta** membership medal donated by **Melinda Johnson** on behalf of her deceased husband **Compatriot Michael Johnson**. Compatriot Langenstein is also Chairman of the **Chapters US Flag Certificate** committee. Well Done Spencer!

**Chapter Compatriots** joined DAR Daughters from the **Garcilaso de la Vega** Chapter lay over **300 Honor Wreaths** at the tombstone of all Veterans as part of the annual **Wreaths Across America** Veterans Wreath placement event December 18 at both the **South Florida National** and **Woodlawn Cemeteries**.

**President Lanman** joined **DAR Regent Karen Christie** of the **Garcilaso de la Vega** DAR Chapter to deliver canned and package goods to the WPB VA volunteer services to feed homeless Veterans over the holidays. The Chapter will continue its efforts and seek support from Compatriots to provide resources to feed our homeless veterans.

The **2022 Chapter Officers** will be formally installed, by National Officer Ray Wess, during the January 18 Meeting including; **President, Donald Lanman, Vice President, David Bird, Secretary, Bob Boggs, Treasurer, Peter Johnston, Registrar, John Workman, Chaplain, Benjamin Tidwell, Historian Open, Sgt. @ Arms, Greg Parkinson, Officers @ Large, Bill Richards, T K Krumenacker.**

During the January meeting, the Chapter will install New Members and Recognize Chapter Compatriots and DAR Daughters for their selfless service and support in 2021.

***“Washington @ Princeton”***

***The Portrait’s Hidden Messages!***

*Compiled-Edited by Don Lanman, Palm Beach Chapter SAR President 2021-22*

American artist **James Wilson Peale** was commissioned by the state of *Pennsylvania* in 1779 to create this historic full-length portrait of **General Washington** following the battle at Princeton, New Jersey. The bright colors and clean outlines in this iconic painting are characteristic of James's style containing profound symbolism and hidden messages.

The original painting of our Founding Father, "**Washington at Princeton**" was commissioned by the *Supreme Executive Council of Pennsylvania* for its council chambers in [Independence Hall](#) in *Philadelphia* as an expression of respect, confidence and admiration for *General Washington*.

Peale made eight copies of the painting. The original, now owned by the *Pennsylvania Academy of the Fine Arts*, was completed in early 1779 when **General Washington** sat for Peale in *Philadelphia*.

Six of the paintings are in several *United States* institutions including the [United States Senate](#); the [Metropolitan Museum of Art](#); [Yale University Art Gallery](#); [National Portrait Gallery](#); [Colonial Williamsburg](#); [Pennsylvania Academy of the Fine Arts](#); and [Princeton University Art Museum](#).

In January 2005, one painting sold for \$21.3 million, and set a record for the highest price paid for an American portrait.

After the **Continental** forces, assisted by the *French*, triumphed over the **British** at *Yorktown* in 1781, *James Peale* sketched the battle site, including a view of the harbor showing the protruding masts of sunken ships.

In addition to the **French** and **American** flags flying above **Washington** and the banners of the conquered at his feet, there are many other hidden symbols in the portrait including:

1. **The blue banner with 13 white stars in the circle was **General Washington's** personal flag as Commander-in-Chief of the combined army of the thirteen colonies of the Continental Army.**
2. **Washington, shown relaxed and in control, wears the blue coat with buff trim of the **Continental Army**. The stars on his shoulders along with the blue sash identify him as the Commander-in Chief. His riding boots, spurs and sword show him to be a "**Gentlemen Officer**".**
3. **In the background is Nassau Hall, home of the **College of New Jersey** (later Princeton University). About 200 **British** soldiers barricaded themselves in the building until blistering American artillery fire forced them out. You can see captured **British** soldiers under **Colonial** guard in the field.**
4. **Two cannons under the command of **Patriot Captain Joseph Moulder** halted the **British** charge at Princeton, New Jersey, and gave General Washington time to rally his forces onto victory on January 3, 1777.**
5. **At **General Washington's** feet, is an **English Imperial** flag laying on the ground as a symbol of confidence in the general's ability to defeat the **British Army**.**
6. **Other banners lying on the ground represent the captured colors of **Hessian Regiments** hired by **King George III** to fight in America. **Washington** defeated these German Mercenaries at the famous **Battle of Trenton** New Jersey on December 26, 1776.**

In addition to being a famous artist of American icons, **James Wilson Peale** was a *Revolutionary War* Soldier, Scientist, Inventor, Politician and Naturalist. While *Peale* is best remembered for his many portrait paintings of leading figures of the **American Revolution**, he also established one of the first **museums** in the **United States of America**.
